

Beverage Recycling Blue Bag Fundraiser Program

Blue Bag Program

The Oregon Beverage Recycling Blue bag program is a fundraiser that allows supporters to fill blue bags with all soft drink containers (glass and cans), beer containers (glass and cans), and all bottled water to be redeemed at a [BottleDrop](#) redemption center or to Meadow Park Middle School to raise money for the Science and Outdoor School Programs. Students will also be earning community service hours.

Meadow Park PTO will order rolls of bags online (10 bags to a roll) to be distributed to students in advisory classes to introduce the program initially. Each can and bottle can be redeemed for 10 cents (starting April 1, currently 5 cents). Additional bags can be obtained by students and/or parents from the front office. Check out <http://www.meadowparkpto.com/> for more information.

Returning Blue Bags and Getting New Ones

The full blue bags can be returned to Meadow Park Middle School (bins will be placed out front) or to a [BottleDrop](#) center. Volunteers will bring the collected bags from Meadow Park to a Bottledrop center and the special labels affixed to each bag will be scanned and funds are automatically credited directly into the Meadow Park Middle School fundraiser account. Please see this short video to see how it works:

*If you don't end up using a bag or have too many, please return them to Meadow Park so they can be used by someone else as there is a cost to getting them.

Meadow Park Beverage Recycling Blue Bag Fundraiser Program

I am a student at Meadow Park Middle School and am hoping to get your support and participation in the program.

I will earn community service hours for my work today.

- I would like to participate by collecting cans and bottles to be placed in the blue bag for a Meadow Park Middle School fundraiser. I will come back when your bag is full to bring it back to Meadow Park.
- When I collect the bag, I can give you a new one. You can return additional bags to Meadow Park or to a [BottleDrop](#) Center. New bags can be obtained from the main office at Meadow Park Middle School or delivered by a student upon arrangement with the student.
