

Dear PTO Leadership,

We're fortunate to have an extremely diverse student population in the Beaverton School District with families who celebrate a wide array of holidays and cultural festivals. Below, you'll find a list of some major ones. As you plan your calendars for the 2022-2023 academic year, please be mindful of these dates and avoid scheduling PTO events. If the event requires that a student prepare for the event, it's also best not to schedule the event for the day after the holiday, as many families celebrate in the evening, thereby preventing a student's preparation.

Thank you for your consideration.

Holiday	Date for 2022-23 Academic Year
