August 27, 2020

Hello Meadow Park Students and Families,

This school year will begin in historic fashion. I'm sending this communication much later than normal as we prepare to start a school year teaching from behind screens and have been busy planning for ways to ensure that each of our Meadow Park Eagles has a valuable learning experience in the current year. You can expect that student schedules will be ready to view the week of September 8th.

Your child's class schedule will be different this year. We are reducing the number of classes for each student in order to accommodate both distance learning and a possible return to a hybrid model where half of our students attend courses M/T and half attend on Th/F. All students will have their three core classes (math/science/humanities) daily along with an alternating PE and elective class.

We know that having a working Chromebook will be vital for each student in the current year. To that end, if you have a working Chromebook from the last school year, we ask that you continue to hold onto it and use it. We will be setting up dates later in September to exchange working Chromebooks for brand new Chromebooks. At this time we will only be exchanging broken Chromebooks or providing Chromebooks for students who do not yet have a device. If your student's device is not working or your student did not check out a device in the spring and now needs one, please email our Student Help Desk at [shd@beaverton.k12.or.us](mailto:shd@beaverton.k12.or.us) for assistance.

Despite the fact that we will begin remotely, we want all students to have the opportunity to see their new teachers in person as we work to establish a new community at Meadow Park prior to the first day of school. Here are a few important dates I encourage you to put on your calendars:

- Tuesday, September 8th Eagle Days ([see attached flyer](#)) - 6th Grade "Back-to-School" Drive Through
- Wednesday, September 9th Eagle Days ([see attached flyer](#)) - 7th Grade "Back-to-School" Drive Through
- Thursday, September 10th Eagle Days ([see attached flyer](#)) - 8th Grade "Back-to-School" Drive Through
- Friday, September 11th at 1:00 pm - Zoom "Meet Your Teachers" Event (Testing Technology!)
- Monday, September 14th at 10:00 am - Official First Day of School!
- Wednesday, September 16th - PTO Meeting at 7pm (Virtual - Head to [meadowparkPTO.com](http://meadowparkPTO.com) for more info!)

We are excited to have you join us for these events as we work to build a community designed for all of our students. In addition to the above, you can expect that a teacher will be reaching out to each student and family during the week of September 8th. All staff have been assigned a group of about 20 students and families that they will be a primary contact and resource for as we begin the year.

For regular Meadow Park updates, I encourage you to follow us on Instagram ([mpmseagles](#)), Facebook ([@MPMSeagles](#)), or Twitter ([@mpmseagles](#)) in addition to monitoring your email on Friday afternoons for our Family News. Please don't hesitate to contact me with questions, concerns, or suggestions throughout the coming school year.

Sincerely,

Jared Freeman  
Principal
